

Date: 27/01/2022

Subject: DECLARATION OF CONFORMITY TO DIRECTIVE 2015/863/EU

The company AIGNEP S.p.A. Via Don G. Bazzoli, 34 - 25070 Bione (BS) - Italia

DECLARES

that its products do not contain the substances subjected to restriction or the substances contained are included in the exemptions of Annex III (Exemptions 6 (a), 6 (b), 6 (c)) and therefore meet the requirements of the RoHS Directive 3 (2015/863/EU).

This declaration is based on analyzes and statements provided by our suppliers.

Based on the statements made, Aignep S.p.A. maintains active actions necessary to ensure continuity of the supply chain, through:

- Updating the necessary information in relation to the evolution of the RoHS Directive.
- Research and development of alternative processes, substances and suppliers in order to guarantee customers the continuity, quality and performance of finished products.

GENERAL MANAGER

GRAZIANO BUGATTI

Date: 11/06/2022**Object: DECLARATION REACH REGULATION (CE) no.1907/2006**

The company AIGNEP S.p.A. Via Don G. Bazzoli, 34 - 25070 Bione (BS) - Italia

DECLARES

that the copper alloys used to manufacture its products can contain the substance Lead (Pb), included in the list of SVCH substances on 06/27/2018, in concentrations even higher than 0.1% w / w.

Substance	CAS / EC	List	Inclusion date
Lead (Pb)	CAS: 7439-92-1 EC: 231-100-4	SVHC	27 June 2018

Furthermore, Aignep declares that it is not directly involved in what is provided for by the Regulation regarding the procedure for registering chemical compounds as it is not a producer of substances or preparations but only a user.

These materials are purchased by companies that have proceeded to ask themselves in compliance with what the Regulation prescribes.

In any case, the normal or reasonably foreseeable use of our items does not involve particular precautions. Only for disposal at the end of their life, it is recommended not to subject the items to mechanical processing such as cutting or drilling, which could cause exposure to the aforementioned substance or its dispersion into the environment.

Aignep declares that it constantly monitors the inclusion of new substances in the list <https://echa.europa.eu/candidate-list-table>. The last update is from 10/06/2022.

In the event that these substances are contained in the products supplied by us, we will promptly inform our customers.

As established by Directive (EU) 2018/851, Aignep has provided for the communication on the SCIP database of the articles containing SVCH substances with a concentration higher than 0.1% weight by weight.

Below the table with SCIP numbers according to the family of articles.

Bione (BS), 14/09/2016

Gentile Cliente,

In riferimento alla Vostra richiesta, dichiariamo che i prodotti a catalogo Aignep SpA sono realizzati con materia prima e processi produttivi "**free of silicon**".

Cordiali Saluti,

/

Dear Customer,

In reference to your request, we declare that the product in the Aignep SpA catalog are made with raw materials and processes "**free of silicon**".

Best Regards,

General Manager

Bugatti Graziano
